By the way...

You told me you will
be fired if you can't
recruit me...

Can you tell me
more about this..?

Slide

About that...

I can't really tell
you the details of
this operation...

Can't you at least tell
me who gave you this order?

Well...

That's really something
I can't talk about...

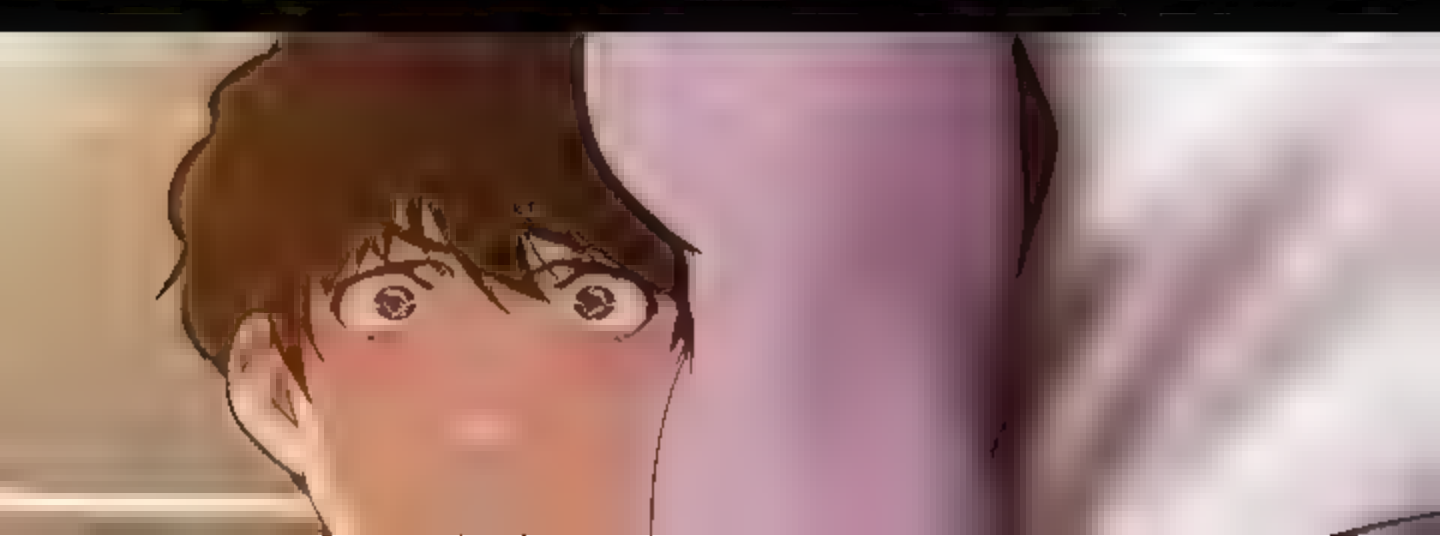

Fine, then I will
have to guess.

Yeah..?

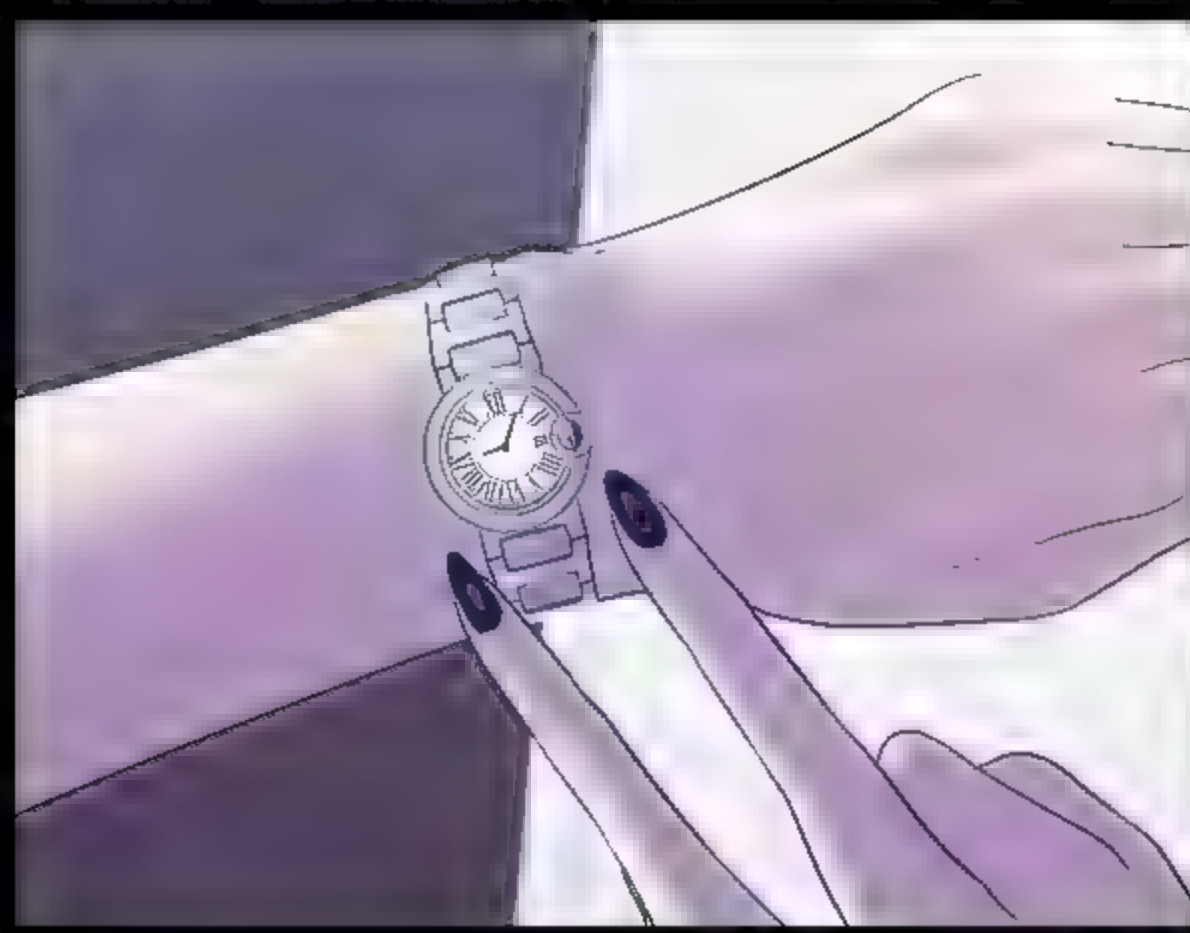

So...

It's your vice
president, isn't it?

We're almost out of time
and she's still not here...

What make you so sure
she will come?

*It'll be weird If I tell
her I'm sure because
we slept together...*

Hmm...

I don't have to explain you
the details, you just have
to know she'll come
Team Leader ~

Oh... This is the Team
Leader of the HR
Department.

Oh, I heard a lot
about you, team leader.

Thank you for coming,
Jin Seo-Rin.

I know it was a difficult choice
for you but I can assure you
we will treat you better than

There is something I must
